I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation with the sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a run drink." Yours truly, LEVI G. BECK.

I do this the more readily in regard to Hoof-land's German Bitters, prepared by Dr. C. M. Jacksen, of this city, because I was projudiced against them for many years, under the impres-sion that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker,
